

1MISSION

<<Date>>

Dear <<insert recipient name>>

Over 1 billion people live without safe and dignified shelter. That's one eighth of our world. I'm donating my birthday to help solve this problem, and I am asking for your help.

Instead of asking for gifts this year, I'm asking my friends and family to donate money that will go toward helping these families get a new home.

I'm asking you to join me in changing the world. Help me help others by supporting my campaign. Every little bit can make a huge difference. I have set a personal goal of raising \$<<insert campaign goal>> and I can only get there with your help.

- Donate online to my fundraising campaign online at <<insert campaign link>>.
- Donate by check made payable to 1MISSION and mail it to 1 N 1st St. #612 Phoenix, AZ 85004

All of the money raised from my birthday campaign goes to 1MISSION. 1MISSION is a community development organization giving people in poverty the opportunity to earn a house by serving their community. 100% of the money will be used to fund projects and programs in the field. When you donate to my campaign, you will get to meet the family that your donation is going to! 1MISSION will send us photos and GPS coordinates once the house is built.

Please join me! Consider what you can do to help families living in poverty throughout the world. Thank you in advance for your generosity.

Thank You,
